

**Limit uncertainty with the brand you trust**

Ronald P. Gruber, MD, has designed and selected a variety of instruments for use in most rhinoplasty procedures, available only from Integra® Padgett®. A full description of this set and its components can be obtained from your Integra representative or by visiting [www.integralife.com](http://www.integralife.com).

Dr. Gruber, a recognized leader in rhinoplasty procedures, is a founder of the Rhinoplasty Society and has published over 50 articles in scientific journals.

The set can be purchased complete or as separate components. Dr. Gruber does not profit from sales of the set; all royalties are donated to PSEF (Plastic Surgery Education Foundation).

# Integra® Padgett®

## Rhinoplasty Solutions

	Reference	Description
1.	P805	Fowler Aluminum Mallet, 8.25" (208mm)
